# PERLAAN FASHION

Buying office cum manufacturer of Hosiery Garment

## About Us

PERLAAN our name tells your passion. Yes... we are Producing all garments very innovative, quality and as per customer dream.

We have 35+ buyers in seven nations in four continents. We are a manufacturer of hosiery Garments from knit city of Tiruppur, Tamilnadu, India.

Generally, Buyer in different county, but manufacturer in different country. That distance is so long. So, that manufacturer not easy to understand buyers need, expectation and quality.

We are giving solution for this issues. Actually we are connecting Buyer and manufacturer to solve this gap. We have tie up with 25+ manufacturer and one own manufacturing unit in knit city.

We have yarn to knitting, dyeing, production and packing facilities. So we can give on time delivery and Quality.

## Our Mission

Provide the best service delivered on time  
With superior quality and reliability.

**To our employees we commit to maintaining A safe work environment full of opportunity For success in a spirit of team work.**

## Our vision

Our Vision is a long-term goal for what we want to achieve through our collective efforts and become a global leader in custom clothing manufacturing.

We are sourcing quality yarn from various spinning mill from south India  
Manchester 's of Coimbatore, Tamilnadu.
